

The Winfield Park District welcomes you to participate in our **TREES – FOR – LIFE** program

Through the Winfield Park District's "Trees-For-Life" program individuals and groups are welcome to donate a tree to any of the beautiful parks in the Winfield Park District. This gift can be in the name of someone special or to commemorate a special lifetime occasion.

Celebrate the major milestones in your life in a positive, life-long way. The gift of a tree to the Winfield Park District will last a lifetime.

Births, anniversaries, weddings, memorials, retirements, and graduations are just a few of the many occasions you may choose to recognize through the "Trees-For-Life" programs.

The "Trees-For-Life" program only benefits the supporters and the Winfield Park District, but also the many residents that enjoy the natural beauty of our parks throughout the seasons. Nature's cycle of life, will be a continued renewal of your contribution.

SELECTING YOUR DONATION . . .

Trees-For-Life cost \$200 and may be selected from a variety of tree species including, but not limited to:

SHADE TREES

- OAK
- MAPLE
- LINDEN

These are strong leafy trees whose branches and leaves form large canopies around the trunks. Their leaves shed each Fall allowing them to become renewed the following Spring.

EVERGREEN TREES

- WHITE PINE
- NORWAY SPRUCE
- DOUGLAS FIR

Needles, rather than leaves, tend to stay on these trees all year long. Trees tend to be dark green in color.

DONATION PROCESS

Trees are planted in the Spring & Fall seasons. Arrangements must be made 30 days in advance of April and October plantings. Donors have the option of selecting the park in which the tree will be planted. Winfield Park District staff will locate the best place to plant your tree in the park.

Donors will receive a certificate identifying the species, its location, date of the planting, and the name of the person or event for which your gift is commemorating.

The Park District will take responsibility for acquiring, planting, pruning, fertilizing, and watering the trees. Donors may hold a ceremony or dedication at the time of planting, or shortly thereafter.

FOR MORE INFORMATION:

Please fill out this section and return it to the Winfield Park District, 0N020 County Farm Rd. Winfield, IL 60190, or call (630)653-3811.
